

## Cytokeratin 17 (CK17) rabbit mAb(4X3)

|                     |                                                                                                               |
|---------------------|---------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AM6768                                                                                                        |
| Applications :      | IHC-p,IF(paraffin section)                                                                                    |
| Reactivity :        | Human                                                                                                         |
| Category :          | 抗原抗体                                                                                                          |
| Size :              | 50μl/100μl                                                                                                    |
| Gene_name :         | KRT17                                                                                                         |
| Protein_name :      | Cytokeratin 17 (CK17)                                                                                         |
| Humangene_id :      | <a href="#">3662</a>                                                                                          |
| Humanswissprot_no : | <a href="#">Q04695</a>                                                                                        |
| Immunogen :         | Synthesized peptide derived from human Cytokeratin 17 (CK17)                                                  |
| Specificity :       | This antibody detects endogenous levels of Cytokeratin 17 (CK17) at Human                                     |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                       |
| Source :            | Rabbit/ IgG                                                                                                   |
| Dilution :          | IHC-p 1:10                                                                                                    |
| Purification :      | The antibody was affinity-purified from Cell supernatant by affinity-chromatography using specific immunogen. |
| Storage_stability : | -20°C/1 year                                                                                                  |
| Other_name :        | Keratin, type II cytoskeletal 8 (Cytokeratin-8) (CK-8) (Keratin-8) (K8) (Type-II keratin Kb8)                 |
