

## Cy7-山羊抗人IgG gamma chain

|                     |                                                                                                                   |
|---------------------|-------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AD9847                                                                                                            |
| Applications :      | E, IH, IF, FC                                                                                                     |
| Reactivity :        | Human                                                                                                             |
| Category :          | 抗原抗体                                                                                                              |
| Size :              | 100μl/1ml                                                                                                         |
| Immunogen :         | Human IgG gamma chain                                                                                             |
| Formulation :       | Liquid in 0.01M Phosphate Buffered Saline, pH 7.2, containing 1% BSA, 50% glycerol, 0.02% Sodium Azide            |
| Source :            | Goat                                                                                                              |
| Dilution :          | IHC (1/200 - 1/1000), IF (1/200 - 1/1000), FCM (1/2000 - 1/4000), Elisa (Use at an assay dependent concentration) |
| Purification :      | The antibody was isolated from antisera by immunoaffinity chromatography using antigens coupled to agarose beads. |
| Storage_stability : | -20°C/1 year                                                                                                      |
| Other_name :        | Cy7-Goat Anti-Human IgG gamma chain;Goat Anti-Human IgG gamma chain - Cy7                                         |
| description :       | Cy7-Goat Anti-Human IgG gamma chain;Goat Anti-Human IgG gamma chain - Cy7                                         |
