

## LMTK1 Polyclonal Antibody

|                     |                                                                                                                                                                                                                                |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AN0126                                                                                                                                                                                                                         |
| Applications :      | WB,ELISA                                                                                                                                                                                                                       |
| Reactivity :        | Human,Mouse                                                                                                                                                                                                                    |
| Category :          | 抗原抗体                                                                                                                                                                                                                           |
| Size :              | 100µg/50µg/20µg                                                                                                                                                                                                                |
| Gene_name :         | AATK AATYK KIAA0641 LMR1 LMTK1                                                                                                                                                                                                 |
| Protein_name :      | Serine/threonine-protein kinase LMTK1 (EC 2.7.11.1) (Apoptosis-associated tyrosine kinase) (AATYK) (Brain apoptosis-associated tyrosine kinase) (CDK5-binding protein) (Lemur tyrosine kinase 1) (p35-binding protein) (p35BP) |
| Humanswissprot_no : | <a href="#">Q6ZMQ8</a>                                                                                                                                                                                                         |
| Immunogen :         | Synthesized peptide derived from human protein . at AA range: 1110-1190                                                                                                                                                        |
| Specificity :       | LMTK1 Polyclonal Antibody detects endogenous levels of protein.                                                                                                                                                                |
| Formulation :       | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide.                                                                                                                                                                 |
| Source :            | Rabbit                                                                                                                                                                                                                         |
| Dilution :          | WB 1:500-2000 ELISA 1:5000-20000                                                                                                                                                                                               |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                          |
| Concentration :     | 1 mg/ml                                                                                                                                                                                                                        |
| Storage_stability : | -20°C/1 year                                                                                                                                                                                                                   |
